

4th Aeromedical-Dental Squadron

**Bioenvironmental
Engineering
Flight**

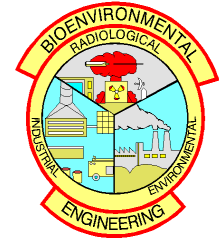

Pride Slide

- **OIF/OEF support**
 - **1,600 airmen deployed--100% gas mask fit-tested**
 - **Deployed FFGL1/FFGL4 teams**
 - **Implemented brand new CONOPS for FFGL1**
- **100% completion of industrial hygiene surveys in 03 with 25% manning**
- **Obtained contract support during OIF/OEF**
 - **220 priority surveys done**
 - **Raised ACC-reported program status from “yellow” to “green” in three months**

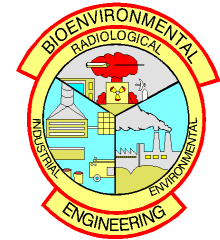

Pride Slide (cont.)

- **Supported two F-15E crash recoveries**
 - No serious injuries/illness to response personnel
- **“Excellent” rating on RAM permit inspection**
 - No-notice during OIF/OEF by AFIA
- **NCOIC “STEP” promoted to MSgt**
- **3 baccalaureate degrees and two CCAF programs completed in 03**
- **Took two of the top PME awards at ALS**
- **Multiple squadron, group, and wing level awards**

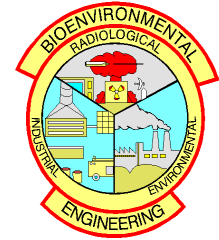

Chief Concerns

- **Potentially Degraded Ability to Accomplish Minimum Mission/Program Requirements**
 - **Manpower limitations - Require 18 positions (IAW present manpower standard - AFMS 5311)**
 - **Presently MDG funds 11 and Line funds 2 = 13 Funded**
 - **Increasing requirements with no extra manning**
- **Response Vehicle Reliability**
 - **Presently assigned 2 vehicles; 1995 Chevy S-10 2-seat and 1993 Ford F-350 6-Pack**
 - **Working with 4 FW/XP on lease for new vehicle FY05 and response trailer**

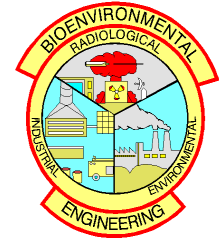

Chief Concerns

- **Influx of Homeland Defense Equipment**
 - **Sustainment costs (calibration, consumable materials with high costs associated)**
 - **Pursuing GWOT/Homeland Defense dollars from XP/MSG**
 - **Unclear training requirements**
 - **Utilizing available contract courses with XP and ACC \$ \$ \$**
 - **Emerging undefined HSI protocols for FY 05**
- **Operating Budget**
 - **Budgets not currently accepted by RMO**
 - **Unable to project increasing requirements**
 - **Currently grabbing XP/MSG \$ \$ \$ when possible**

Chief Concerns

- **Future of Bldg 3633**
 - **Possible demolition in accordance with base plan**
 - **Space requirements**
 - **Environmental lab**
 - **Industrial hygiene lab**
 - **Homeland defense equipment**
